Design your own pizza!

When selecting from the menu, why not choose a combination of ingredients from those available for any of our pizzas and tell us how you would like them put together on the pizza. Design two pizzas if you want!

Our Offer:

We offer this menu for you to choose 4 different types of pizza (one dessert pizza if required) or design up to 2 of your own pizza/s and select 2 from the menu. If you want a variation to a menu pizza, talk to us!

Our Flexibility:

Maybe you would rather lemon juice rather than lemon oil? Or you find a pizza that sounds good but you'd rather have chicken on it, not beef...

Just let us know when you talk to us about your selections and we'll change it for you!

After all, we want to be a positive contribution to your party. For you & your guests to be happy with your selection of caterers ☺

Garlic Bread:

Is complimentary with Pizza2U catering service.

Turkish loaf cut lengthways, covered in our garlic butter mix and openly roasted in the oven, sliced and served prior to pizzas.
